Simplified implementation and ongoing management

Reduced costs
No equipment needed, choice of competitive PSTN calling plans

Superb resiliency
Direct peering with Teams using 1:1 network connection for optimal performance

Enhanced, joint support
Benefit from our award-winning customer service, plus Microsoft's technical support

Click here for more information

Additional benefits for existing IntelePeer customers:

- Maintain your current service contract and terms
- Keep your phone numbers without a lengthy, tedious porting process
- Faster deployment and less risk of service interruption during migration
- Take advantage of IntelePeer's competitive, all-inclusive calling plans

Operator Connect offers a simple, intuitive experience to select IntelePeer as your PSTN provider:

1
Obtain Teams licenses from MS or MS partner

2
Sign w/IntelePeer for Operator Connect services

3
Select IntelePeer from Teams Admin OC tab

4
Push and manage phone numbers from IntelePeer iPilot portal

Why Operator Connect with IntelePeer?

Streamlined administration: We provide the technical support and manage the voice network and infrastructure so you can focus on your business

Empower disaster avoidance: Our triple-redundant network, 99.999% guaranteed uptime, and advanced software provisioning portal helps ensure continuity

Seamlessly apply low-code and no-code applications: Automate your communications and processes with prebuilt applications including self-service voice automation powered by AI, outbound customer engagement, digital assistants, and more. Our CPaaS solutions are readily available and can be rapidly deployed without additional developer resources.

About IntelePeer
